

Siemens Simatic Step 7 V11 SP2 Professional torrent TOP

The screenshot shows the Siemens Key Installer interface. A table lists license keys with columns for Short name, Long name, License name, and Version. Two keys are highlighted: NSIEPG99 (Industrial Ethernet SOFTNET-S7 Basis) and NSIESL99 (Industrial Ethernet SOFTNET-S7 Lean), both with version v99.9. A 'New License concept' overlay is present, containing the following text:

- All volume licenses are count relevant licenses
- All count relevant license keys are without version label (9999)

Below the overlay, a table shows license details:
